

PHOTOS4SIMS™

Thank you for purchasing from Photos4Sims. We appreciate it!

Please keep the emailed receipt you received as part of the purchase in case you need to redownload your purchases, or otherwise communicate with us about a purchase.

The packages are delivered as compressed (ZIP) files, and have the following structure:

- **ORIGINAL/** – Photos or assets in their original size/dimensions
- **REDUCED/** – For packages with this folder (not all packages do), we have reduced the dimensions of the ORIGINAL photos to make them sized best to fit typical simulation programs, such as SimsUshare.
- **README** – this document
- **Terms of Use – Photos4Sims** – a document with the license you are granted for using the package photos.
